Before & After School Arrangements.

It is primordial that times be respected Supervision before school begins at 8:23 am. **Students should not be dropped off at the school before that time for their own safety. Children must also be picked up on time after school as the staff and office are still in working hours.**

If you are unable to pick up your child on time, please make arrangements with another parent, or you may want to consider the **Red Deer Child Care Before and After School program** for your convenience. Their phone number is 403-347-7973.

Staff Parking:

For safety reasons, **we ask that parents refrain for parking or dropping off students in the staff parking lot.** Thanks for working with us in keeping our students safe.

Bus Zone:

Please refrain from parking in the bus zone where the orange pilons are.

Our bus driver is having a lot of problems trying to park and leave, because of the small space between cars.
